COMENTARIO DEL AGENTE:

The **Mangusta 130** series is one of the largest and fastest open series in the world. This thrilling eye catching yacht was launched in 2008 and built to Bureau Veritas. With her powerful twin 3645hp MTU diesel engines and water jets she can accelerate to an exciting maximum speed at 36 knots. Her energetic cruising speed of 32 knots gives range of 520nm. Her contemporary styled interior features an open-plan-layout spacious deckhouse with bar and two seating areas aft, and dining area and wheel station forward. A full-beam master stateroom is situated on the lower deck amidships plus there are four additional guest cabins forward, sleeping nine guests in three double and one twin (with Pullman) cabins. Permanent crew have kept her in immaculate condition throughout and maintained to a high standard.
