BROKERS COMMENTS:

The **Riva Bertram 25 Sports Fisherman** is a true classic, offering stunning lines with great performance and sea keeping. This particular one is a very good example due to the fact that, where possible, all original Riva parts have been used. She has an interior toilet installed and a unique dual purpose aft area, which doubles as both, a perfect sunbathing area and an ideal sitting bench whilst fishing. She has been regularly maintained and is in good condition for her age. A highly sought after timeless beauty and an opportunity not to be missed. Spanish flag.
