Hull painted (2015)

BROKERS COMMENTS:

This is a rare example of a shaft driven **Princess V40** sports cruiser. There were only a few built, due to the higher cost in comparison to the duo prop model. She boasts a full Mediterranean specification and offers comfortable accommodation in two cabins plus a convertible dinette. She has been owned by her current owner for the last 14 years whose engineer has kept her fully maintained resulting in a V40 in exceptional condition for a boat of her age. Ready to go for the season! EU VAT paid - UK VAT not paid
