BROKERS COMMENTS:

This 2023 Rayglass Protector 330 Chase, first launched in March 2024, is a high-performance chase boat used at international sailing events like the America's Cup and Sail GP. First launch March 2024. Lightly

used, maintained in excellent condition and stored under cover in a shed.

It offers spacious fore and aft decks, ample storage for crew and gear and extra seating. It is also the largest boat that fits in a 40-foot container, which makes it easy to transport anywhere around the world.
