COMENTARIO DEL AGENTE:

Innovative portside lounge with hidden table converts to multiple positions so it can be used for dining or to support a full-length lounge.

Deluxe cabin includes convertible V-berth sleeping/dining area, full-height hanging locker, and deckhouse windows for plenty of natural light

Starboard dive door enables easier re-boarding into the spacious cockpit after swimming.

When it's time to whip up lunch, the 325 Conquest is up to the task thanks to this slide-out grill in the portside lounge.

In the center of the cockpit, a hatch opens to access the Conquest 325's mechanical components.

Additionally, the cockpit table stores in a dedicated rack on the underside of the hatch. Inside the compartment, everything is conveniently accessible including the batteries, pumps, thru-hull fittings, the generator, and the gyroscopic stabilizer.
