ANMERKUNGEN DES MAKLERS:

The Bali Catana 5.4 is an exceptional 54-foot catamaran and is the flagship of the Bali Catamarans range. Thanks to innovations and technologies from Catana group, this boat features cleverly designed spaces allowing everyone on board to enjoy the various different areas, either with family, friends or in complete privacy. Conceived by Olivier Poncin and designed by Agence Berco design + Piaton, the BALI 5.4 stands out for its volume, design, totally open living spaces and onboard technology for outstanding comfort. She has been maintained to the highest standard by her permanent Captain. Having only been used privately she is undoubtedly the best on the market. Under warranty until June 2025. Visting is possible at any time however the owner has made cruising plans until the end of September 2025 hence

closing can only take place after then.
